A discussion / Q&A will follow the film.
All are welcome!

We are pleased to share the critically acclaimed documentary *Voices of Grief* on Saturday, November 3, 2018 at 9:00 am. The film offers a fresh perspective on how to honor, transform and integrate grief. *Voices of Grief* weaves together interviews and insights from contemporary authors, poets and spiritual teachers with the stories of people who talk about their own very personal experiences with grief.

"This film brings grief out of the darkness and into the light of hope and healing,"

~ Rev. Dr. Leanna Hadley.
